

## Welcome to the 2003 National Book Festival.

Get this map stamped with interesting state symbols found at the tables in the Pavilion of States. And read more about great places throughout the United States when you get home by visiting your school or public library to check out the fifty-two great reads on the back of the map.

This activity is brought to you by the Chief Officers of State Library Agencies (COSLA) and the Institute of Museum and Library Services in cooperation with the Library of Congress with great thanks to Frannie Ashburn, Betty Brown, Igor Inozemtsev, and Sandy Ferrell.
